As a controlled document, this document should not be saved onto local or network drives but should always be accessed from the intranet	

Annex E – Statement of Compliance

Designated Body Statement of Compliance

The board/executive management team – [delete as applicable] of [Insert official name of designated body] has carried out and submitted an annual organisational audit (AOA) of its compliance with The Medical Profession (Responsible Officers) Regulations 2010 (as amended in 2013) and can confirm that:

1. A licensed medical practitioner with appropriate training and suitable capacity has been nominated or appointed as a responsible officer;

Comments:

2. An accurate record of all licensed medical practitioners with a prescribed connection to the designated body is maintained;

Comments:

3. There are sufficient numbers of trained appraisers to carry out annual medical appraisals for all licensed medical practitioners;

Comments:

4. Medical appraisers participate in ongoing performance review and training / development activities, to include peer review and calibration of professional judgements (Quality Assurance of Medical Appraisers or equivalent);

Comments:

5. All licensed medical practitioners¹ either have an annual appraisal in keeping with GMC requirements (MAG or equivalent) or, where this does not occur, there is full understanding of the reasons why and suitable action taken;

Comments:

6. There are effective systems in place for monitoring the conduct and performance of all licensed medical practitioners¹, which includes [but is not limited to] monitoring: in-house training, clinical outcomes data, significant events, complaints, and feedback from patients and colleagues, ensuring that information about these is provided for doctors to include at their appraisal;

Comments:

7. There is a process established for responding to concerns about any licensed medical practitioners¹ fitness to practise;

Comments:

¹ Doctors with a prescribed connection to the designated body on the date of reporting.

8. There is a process for obtaining and sharing information of note about any licensed medical practitioners' fitness to practise between this organisation's responsible officer and other responsible officers (or persons with appropriate governance responsibility) in other places where licensed medical practitioners work;

Comments:

9. The appropriate pre-employment background checks (including pre-engagement for Locums) are carried out to ensure that all licenced medical practitioners² have qualifications and experience appropriate to the work performed; and

Comments:

10. A development plan is in place that addresses any identified weaknesses or gaps in compliance to the regulations.

Comments:
