REPORT DISCUSSED PREVIOUSLY: (name of sub-committee/group & date)		N/A	
Action Required:			
Approval	Discussion (√)	Assurance (√)	
Summary of Key Issues			
<p>The endoscopy service (for gastro-intestinal medicine) occupies purpose built facilities and has achieved important accreditation for its quality of service and teaching. It has recently been accepted as a centre for bowel cancer screening.</p> <p>The presentation will describe these achievements, challenges in ongoing delivery and the vision it holds for the future as a key service for the trust and the local health economy.</p>			
Relationship to Trust Strategic Objectives & Assurance Framework:			
SO1: Safe -Deliver safe services and be in the top 20% against our peers SO2: Effective - Deliver effective and sustainable clinical services within the local health economy SO3: Caring – Ensure patients are cared for and feel cared about SO4: Responsive – Become the secondary care provider and employer of choice for the catchment populations of Surrey & Sussex SO5: Well - led
