Freedom of information request

I am writing in response to your request for information which has been handled under the Freedom of Information Act 2000 (FOIA).

Your questions and our response are below.

I'm looking to receive details on how many patients have been admitted to hospital with injuries caused by e-cigarettes since 2013.

Can this please be broken down into separate figures for 2013, 2014, 2015 and 2016 so far.

If possible, could I also be provided with a brief description of the injuries suffered in each case.

An injury caused by e-cigarettes is not recorded on our current system; therefore we do not hold this information.
