Freedom of information request

I am writing in response to your request for information which has been handled under the Freedom of Information Act 2000 (FOIA).

Your questions and our response are below.

- The number of patients with Type 1 diabetes that are currently treated as an outpatient in the hospitals in Surrey and Sussex Healthcare NHS Trust. [This information is not centrally recorded.](#)
- The number of patients with Type 2 diabetes that are currently treated as an outpatient in the hospitals in Surrey and Sussex Healthcare NHS Trust. [This information is not centrally recorded.](#)
- The number of patients with Type 1 diabetes in the hospitals in Surrey and Sussex Healthcare NHS Trust with an Insulin Infusion Pump. [This information is not centrally recorded.](#)
- The number of patients with Type 2 diabetes in the hospitals in Surrey and Sussex Healthcare NHS Trust with an Insulin Infusion Pump. [Type 2 patients are not eligible for pumps so we have zero.](#)
- The number of Diabetes Specialist Nurses that are employed in Surrey and Sussex Healthcare NHS Trust as of the 1st October 2017. Please break down the response to this question by pay band e.g. band 6, band 7.
[We have 7 Diabetes Specialist Nurses](#)
1 x band 8
5 x band 7
1 x band 7 vacancy
- Is structured education for patients with Type 1 diabetes offered within Surrey and Sussex Healthcare NHS Trust? [Yes structured education is offered to all in a variety of methods, 1:1 sessions for those not suitable for groups; online for those unable to commit the time to attend a group and the formal group sessions.](#)
- The number of patients with Type 1 diabetes that have received structured education within Surrey and Sussex Healthcare NHS Trust between the period October 1st 2016 to October 1st 2017. [Within Oct 16 - Oct 17, 8 patients have attended formal structured education groups.](#)
