### **Freedom of information request**

I am writing in response to your request for information which has been handled under the Freedom of Information Act 2000 (FOIA).

Re FOI 4625 Unfortunately you've not answered the questions I submitted as the scope of survey INCLUDES Framework Awards (where a further competition was run – for clarity scope does not cover direct awards).

Please can you confirm if your response changes and if so answer the submitted questions on the surveymonkey link or attached word file? [Please see completed questionnaire attached.](#)
