Freedom of information request

I am writing in response to your request for information which has been handled under the Freedom of Information Act 2000 (FOIA).

Please could you provide me with a list of dashboards* the organisation uses and how many users per dashboards there are? [See below](#)

*(A data dashboard is an information management tool that visually tracks, analyses and displays key performance indicators (KPIs), metrics and key data points to monitor the health of a business, department or specific process – please find an example below.
