Freedom of information request

I am writing in response to your request for information which has been handled under the Freedom of Information Act 2000 (FOIA).

Does your Trust have a specific policy to support staff who may suffer domestic violence?

We do not have a specific policy to support staff who may suffer domestic violence. We provide staff with access to telephone and website support via a third party provider CiC. They provide an independent, free and completely confidential advice 24/7 for difficulties at home as well as at work.
