What to bring with you

- Your appointment letter
- Any Samples
- Any medication

**This is me
My Care Passport**

It should be kept with me and brought with me into any care setting, including hospital

Click here to fill in your personal information

My name is:

I like to be known as:

Please return my passport to me when I go home.

This is a special booklet for all staff working with me. It gives important information about me. This passport should be kept visible and read before you talk to me or take about me.

Things you need to know to help me with:

- Things that are important to me**
- My likes and dislikes**

This passport is part of the Care Passport system and is available using various different languages. Visit www.nhs.uk/healthcarepassport for more information.

Please bring your Care Passport with you

Tell the receptionist you have arrived.

You can sit in the waiting room until your appointment.

#39963785

Hopefully you wont have to wait more than 30 minutes for your appointment

A nurse might weigh you and measure your height

You will then see the doctor.

You can tell them how you feel.

They might suggest something to make you feel better

There might be student nurses in the room.

You can say 'no' to them watching if you want to.

You may need to give a pot of wee.

You might need a blood test.

You can have cream put on first to make it feel better

The receptionist can tell you when your next appointment is

Now you can go home.

You will get a letter through the post from the doctor.

You might have a new appointment letter
